It's Broadview Subscription Renewal Time!

It's that time of year when we renew our subscriptions to this internationally recognized publication. The cost is still only \$30, including taxes for access to some award-winning journalism. Please let Anne know if you'd like to subscribe or renew.

USED STAMPS: If you have used stamps, you could drop them off in our mailbox or during office hours. Please make sure you leave a tiny margin around the stamp. We are now sending them to the Canadian Bible Society for their Stamps for Freedom Program. Stamps collected from donations across Canada are combined to create charity boxes and are sold to stamp collectors and vendors. The revenue generated from the stamps allows CBS to purchase Bibles for the Canadian prison ministry.

St. David's Trinity United Church is a designated drop-off for the recycling of household batteries. This includes both rechargeable and single use, each weighing 5 kgs or less. No wet-cell, damaged or defective batteries are accepted.

Batteries can be dropped off at the office between 9:30 and 12:30, Tuesday to Friday.

Individual storage boxes are now available in the office.

For your reading pleasure... We have a lot of new books in our very well-stocked bookcase across from Anne's desk in the office. If you have books that you have particularly enjoyed and you think that someone else might like to read them, please stop by and leave them in the shelves.
